### National Governors' Association

The National Governors' Association (NGA) is an independent charity representing and supporting governors, trustees and clerks in maintained schools and academies in England. The NGA's goal is to improve the well-being of children and young people by increasing the effectiveness of governing boards and promoting high standards. It does this by providing information, guidance, research, advice and training. It also works closely with, and lobbies, UK government and educational bodies, and is the leading campaigning national membership organisation for school governors and trustees.

The NGA online Guidance Centre is the information hub for governors. It supports you in your role as a governor, giving you access to up to date guidance and advice covering all aspects of school governance, including finance; staffing; Ofsted; curriculum; special educational needs; legislation and school improvement.

Practical governance resources include sample documents; templates; checklists; information summaries; insights; case studies and much more.
