Mind Matters – Horses helping People

Saturday 18th May 2019 1.00pm-3.00pm

Soar Valley Western Stables, A426 Blaby by Pass, Whetstone. Leicester. LE8 6DA

In a world that is increasingly opening up to – and understanding those with – mental health issues, it's no surprise that Mental Health Awareness Week is now a firmer fixture on calendars around the UK and beyond.
Working in association with Blaby Mind Matters and BOWS Mental Health Forum, the team at Horses for Causes invite you to see the life changing EAGALA model in action.

Equine assisted activities for growth and learning for personal and professional development, Equine assisted psychotherapy for mental health and well-being.

An interactive demonstration on how horses can help individuals, families and groups transform their lives. A rapid and powerful intervention that quickly breaks down barriers and changes behavioural patterns. All our work is ground based – no riding involved and no experience of horses necessary.

Benefits of attending:

- See it in action and take part if you want to
- Network with other like-minded professionals
- Talk to EAGALA's certified practitioners

Who should attend:
Funders, Charities, SENCO's, Schools, Colleges & Children's services, Referrers, District & County Council, Military & Veteran groups and anyone interested in this type of work.
