

## **HSC Year 12 Transition work**

**Year 12 Diploma students (double award):** For Unit 6 you need to spend the summer getting your work placement sorted for the following year. All details of what constitutes an authorised placement have been provided in the induction lessons.

**For Unit 7:** You need to research and make some notes on the deaths of Baby P and Victoria Climbié. How did Social Services and many others fail to protect them?

**Please note you need to complete these two tasks AND the task for the Extended Certificate.**

**Year 12 Extended Certificate students (single award):** Create a Timeline of your life detailing all your life events thus far. Be creative and set it out however you like, for example you could include photographs to make it really visual.
