PE and Dance Success

Welcome to the first edition of the PE and Dance Newsletter where we would like to share all things PE! This past term we have seen lots of successes we would like to share with you:

Cross Country:

All students have shown a fantastic level of commitment, as the weather has not always been on our side! We have had students representing CLCC from all years. We would like to say a huge congratulations to our junior team who won the series! Additionally, well done to all the students who have qualified for English Schools. You have all been amazing!

Football:

The KS3 girls have also experienced their first games of the year and have demonstrated fantastic team work throughout and there has been some excellent goals along the way!

Basketball:

There has been huge success for our Year 10 and 11 boys with both teams being crowned Blaby and Harborough champions again for the 5th consecutive year (for Year 11) and for the third consecutive year (for Year 10). Both teams now have semi-finals against St Pauls. The Year 11 game is arranged at home on Thursday 27th Feb and the Year 10 game will be away on Wednesday 4th March.

Dance:

So far this academic year we have seen huge dance successes starting with the first dance show for our A-level, Year 10 and 11 BTEC dancers, who were supported by our dance club girls, who have shown a fantastic level of commitment after school. Additionally, a huge well done to our competition girls who are progressing through to the Regional Finals of the great big dance off in Nottingham in March.

PE Expectations

An increasing number of our students are not wearing the correct CLCC kit for their lessons. It is expected that students wear the correct kit for all lessons both indoor and outdoor.

Uniform can be purchased from the school uniform provider:

School wear Solutions: Tel: 0116 216 0665

Year 11 Revision

BTEC: All work will now need upgrading, although this is being done in lessons. It is important that students attend afterschool intervention when appropriate. Emails will be sent home for students that will need to attend.

GCSE: Students will be given a revision timetable by Mr Williams. Students will be required to read around topics before lessons.
