Rationale

The Behaviour Policy is based upon the principle of creating a safe, supportive and inclusive learning environment to allow students to do the best they can. Behaviour and Behaviour for Learning form a key component of the Strategic Plan and is a key priority for the Academy. This Behaviour Policy is based upon the core values of the Academy:

- **Respect** – How we speak to and treat each other. Staff plan engaging and effective lessons and students respect others' learning. A mutual respect of teacher and learner will produce an optimal outcome
- **Resilience** – Staff persist in having high expectations of all students in all key stages to be certain that no student will underachieve. They will try various means to engage the student in their learning and understanding of their role within society. Students here are resilient, have high expectations of themselves and work towards their different learning, goals.
- **Success** – This is based upon the individual. Some students will have exemplary behaviour records, others will need help to adjust their behaviour. As an Academy we believe that 'success is the journey, not a destination.' (Arthur Ashe)

These values ensure that students are always:

In the right place, at the right time, doing the right thing

Countesthorpe Academy Approach

This policy has been developed within a period of consultation which has included the LIFE MAT, the leadership team, support staff, heads of department, teaching staff and parents.

This policy is based upon:

- A clear set of rules
- Rewards
- Support and Challenge
- Redemption
- Clear communication

To aid the implementation of this policy a toolkit for Academy staff is provided.

Expectations

Academy staff are expected to implement the Academy's practices with regards to behaviour in a fair and consistent manner. (See POSTED Ladder and Behaviour Toolkit)

As a Academy, our expectations are that we will all be the best we can be.

For students this means that they follow the Academy's rules:

For teachers and Academy staff this means:

- They will produce a seating plan for each class and store it on Satchel:one so that it may be accessed by other colleagues
- Heads of Year will be in their Year Base to monitor the behaviour of students during lesson change over as classes may not move but staff will.
- Leadership team are on duty during lesson change over
- All staff are 'on duty' in corridors – the adage, 'the behaviour we ignore, is the behaviour we accept' applies
- Staff should follow the one-way system at all times
- Staff should be courteous to one another
