Fine Art

The Department has now moved into brand new facilities in the purpose built Art rooms in the new build. We have an A Level Art room which students can use during lessons and their own time.

We aim to develop students professional Art practice by continually displaying their current work in progress in their own area. Students have the opportunity to display their work in a public exhibition in February. We also encourage students to develop their own ideas/ run Art Clubs for younger students and be involved in collaborative larger projects.

Why study this course?

Fine Art offers opportunities to use your creativity and express yourself through a variety of media. It is about looking, learning, thinking, communicating and developing your awareness of the visual world. It will enable you to work independently and explore work by other artists to develop your own personal and imaginative work.

Aims of the course

Fine Art is about developing your understanding of the visual world, learning practical skills and responding to ideas and issues in ways that are personal to you. You will develop an independent, enquiring and creative mind and skills in a variety of different media including drawing, painting, printing, photography, 3D, mixed media, photography.

How am I assessed?

A Level consists of 2 assessed components in Year 13:

Component 1 – 60% of final grade:

- Students are internally assessed at specific points throughout Component 1 - Personal Investigation.

There is a 15 hour exam in December to prepare them for the externally set exam where students produce a final response.

Component 2 – 40% of final grade:

- Each student is asked to respond to a given theme set by the exam board in his/ her own personal way. Students are given a minimum of 10 weeks to plan a final piece to be executed within the timed exam (15 hrs).

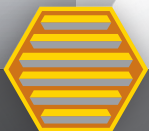

All work is assessed and moderated internally throughout the year before the Exam Board then moderates both Components after the final exam.

Where does this course lead?

Access to Art Foundation and Art based degrees.

**Artist, Designer, Illustrator, Animator
Graphic Artist, Fashion Illustration,
