

11<sup>th</sup> May 2022

## Information Evening for Parents and Carers of Year 6

Dear Parent/Carer,

We are so looking forward to meeting with you on **Wednesday 25<sup>th</sup> May 2022**. As outlined in our previous letter the purpose of the evening is to explain the next steps in your child's transition from primary school to Countesthorpe Academy. The evening will consist of a presentation from Mrs Aitcheson, Headteacher and Mr Thurston Deputy Headteacher who has oversight of transition. Following the presentation there will be opportunities to discuss with members of the Senior Leadership Team any questions you may have, as well as meet with our uniform supplier for next academic year.

Since writing to you in March, two of our main feeder primary schools, Blaby Stokes and Greenfield have made it to the final of the Rice Bowl Cup. This is a fantastic achievement and we wish both schools well. Unfortunately this prestigious event clashes with our Information Evening. We understand that parents and children will want to attend both events but obviously cannot. As an Academy, we do want to work with our community and families as much as possible. It has not been possible for us to rearrange this evening to a separate date, however we believe that we have a solution that should work for all parties.

In order for parents and children to get to the King Power Stadium in time we have altered the timings of our presentations. The new times are below:

**Blaby Stokes and Greenfield Primary Schools: 4pm (The presentations will be finished by 4:30pm)**

**Children from other primary schools 6pm**

Parents from Blaby Stokes and Greenfield who are unable to attend the 4pm session are welcome to attend the 6pm session.

We understand that this is a change in times for some parents and apologise, however we feel that it is important that we support this our local schools in this event.

We look forward to seeing you on the 25<sup>th</sup> May.

Best wishes

The Transition Team
