Show Respect . Develop Resilience . Achieve Success

GCSE COUNTDOWN

Join in this week...

- Students will now be preparing for their Melton Road fieldtrip investigating quality of life changes through qualitative methods. This is essential for their 3rd exam paper in the summer
- Countdown in English: Unseen Non-Fiction Texts and Transactional Writing Friday; Media focus on Paper 1 The Lego Movie- Production, distribution and consumption; MFL focus on vocabulary for healthy eating and lifestyles
- Many students having a Maths WTM Masterclass Wednesday Period 6 (instead of Core PE) .Maths Interventions running during CREW to support the aiming for a 4 to open the door or a strive for a 5.

6 Weeks To Go!

The Pride of Countesthorpe!

Well done, Year 11. We believe in you!

Last week we...

- Our Geographers have spent time developing their skills to approach the decision making question that appears in paper 2
- Students have now finished their 2 Maths PPE exams. In the lessons we have had this week we have been focusing on misconceptions and areas identified as needing further development alongside the use of the exam preparation booklets.
- Successful PPEs in Language and Literature- real revision buzz in the mornings with great use of cue cards and revision mindmaps (funnelling techniques)
- We have developed our understanding of key terminology and understanding of the Component 2 exam in readiness for the RE PPE

Being Kind

Effective Revision Techniques

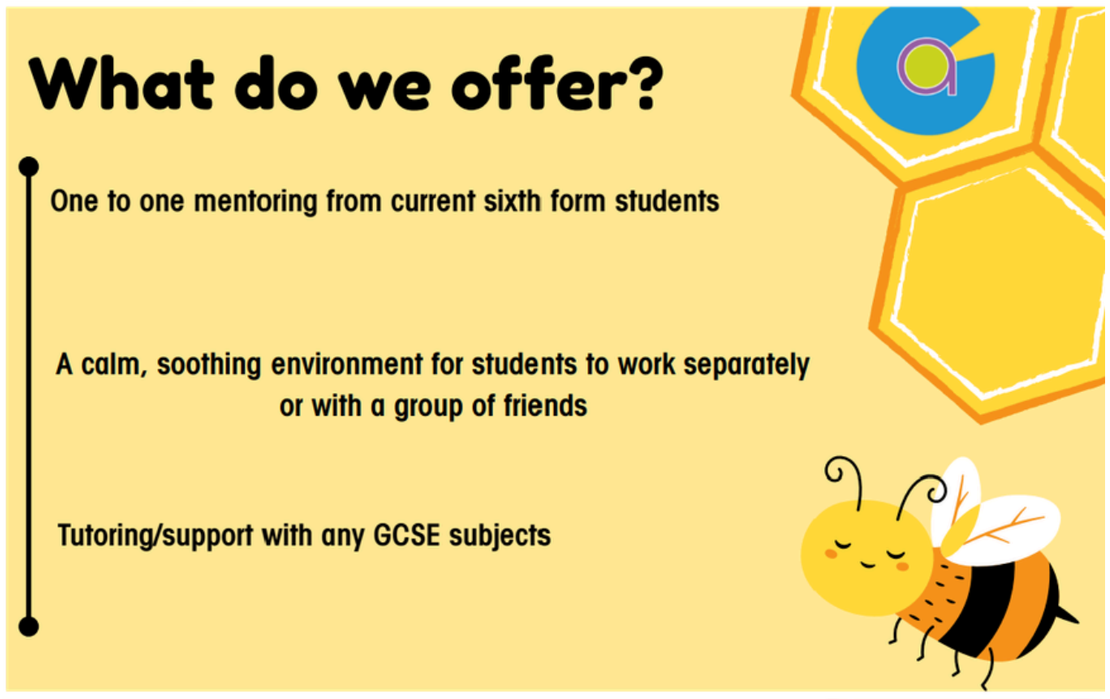

Working Hard!

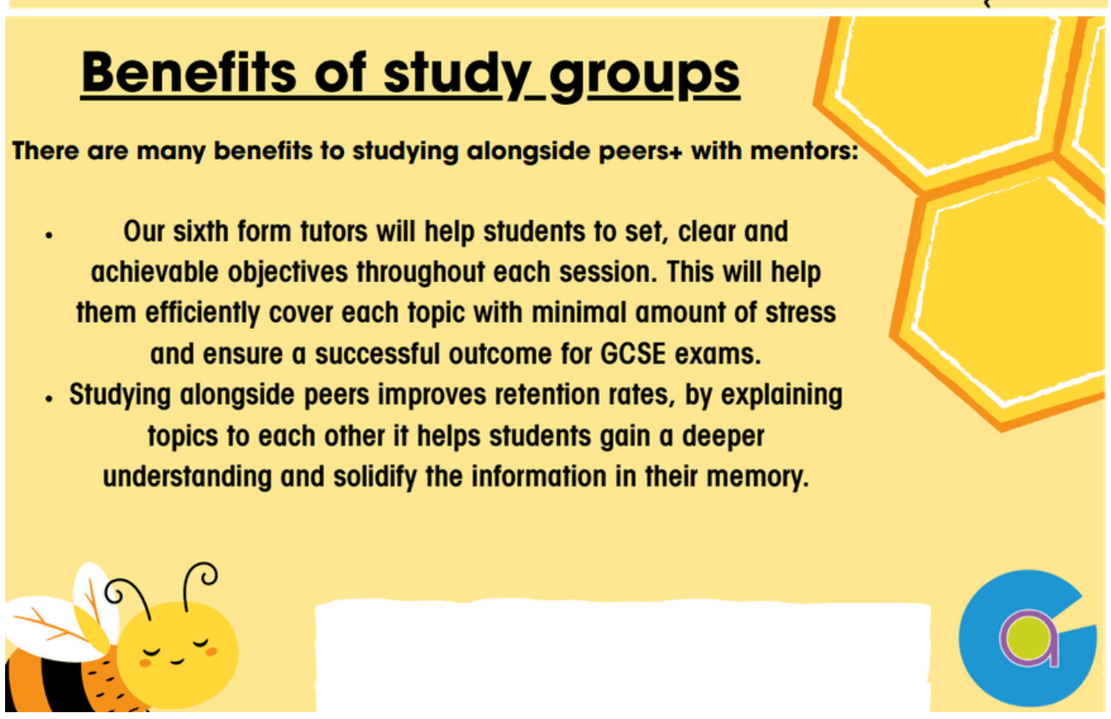

Stars of the week!

St John's College Webinars 2026

This series of Zoom webinars throughout the rest of the academic year will cover a range of topics relating to applications and admissions, from an introduction to Higher Education for Year 11 students to fine-tuning personal statements for Year 12s.

This is an excellent opportunity - for applicants and their supporters (family and teachers) - to gain insight into the Cambridge admissions and decision-making process from members of the Admissions Team who have led this process for several years. There will be Q&A time included.
