Show **Respect** | Develop **Resilience** | Achieve **Success**

# The Partnership Playbook

A Parent's Guide to the Relunched Homework  
and Independent Learning Strategy

**May 2026**

# The Learning Bridge

Research shows that when homework is completed regularly and to a good standard, it has a significant impact on student progress.

# Quality Filter

**Short & Focused.** Strictly linked to what students are actively learning in class.

**Fully Accessible.** Designed for all students to succeed, including those with additional needs.

**Habit-Building.** Structured to build long-term study routines, not just short-term memorization.

Approved Task

# The Ecosystem of Success

## Countesthorpe Academy

Sets the quality standard, provides the physical devices, and drives the reward and support systems.

**Working together, we can ensure that every student achieves their potential.**

## Satchel:One

The digital hub where transparency lives. Tracks tasks, deadlines, and completion.

## The Home Environment

Encourages on-time completion, ensuring students are fully prepared for their next steps.

1

See exactly what homework your child has been set.

2

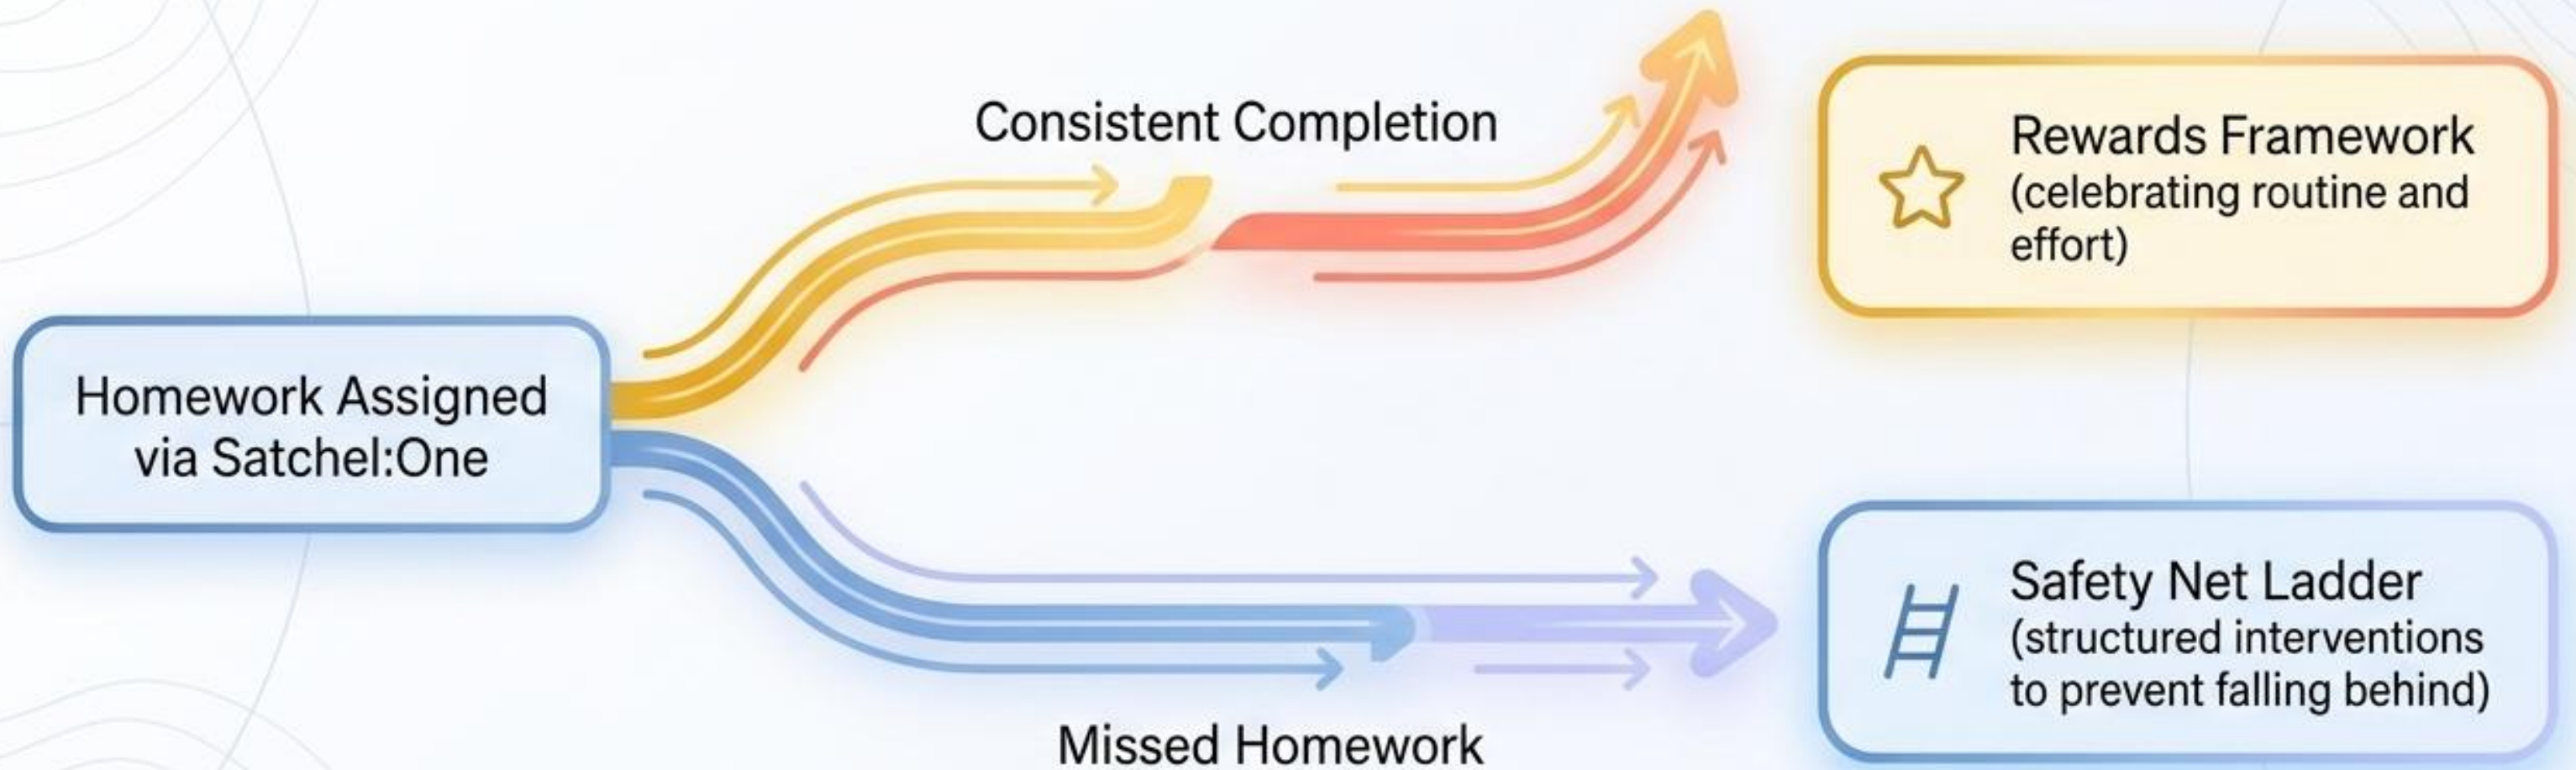

Track clear due dates to help manage their time.

3

Accessible on the dedicated school device provided to your child to support completion.

# Two Paths of Accountability

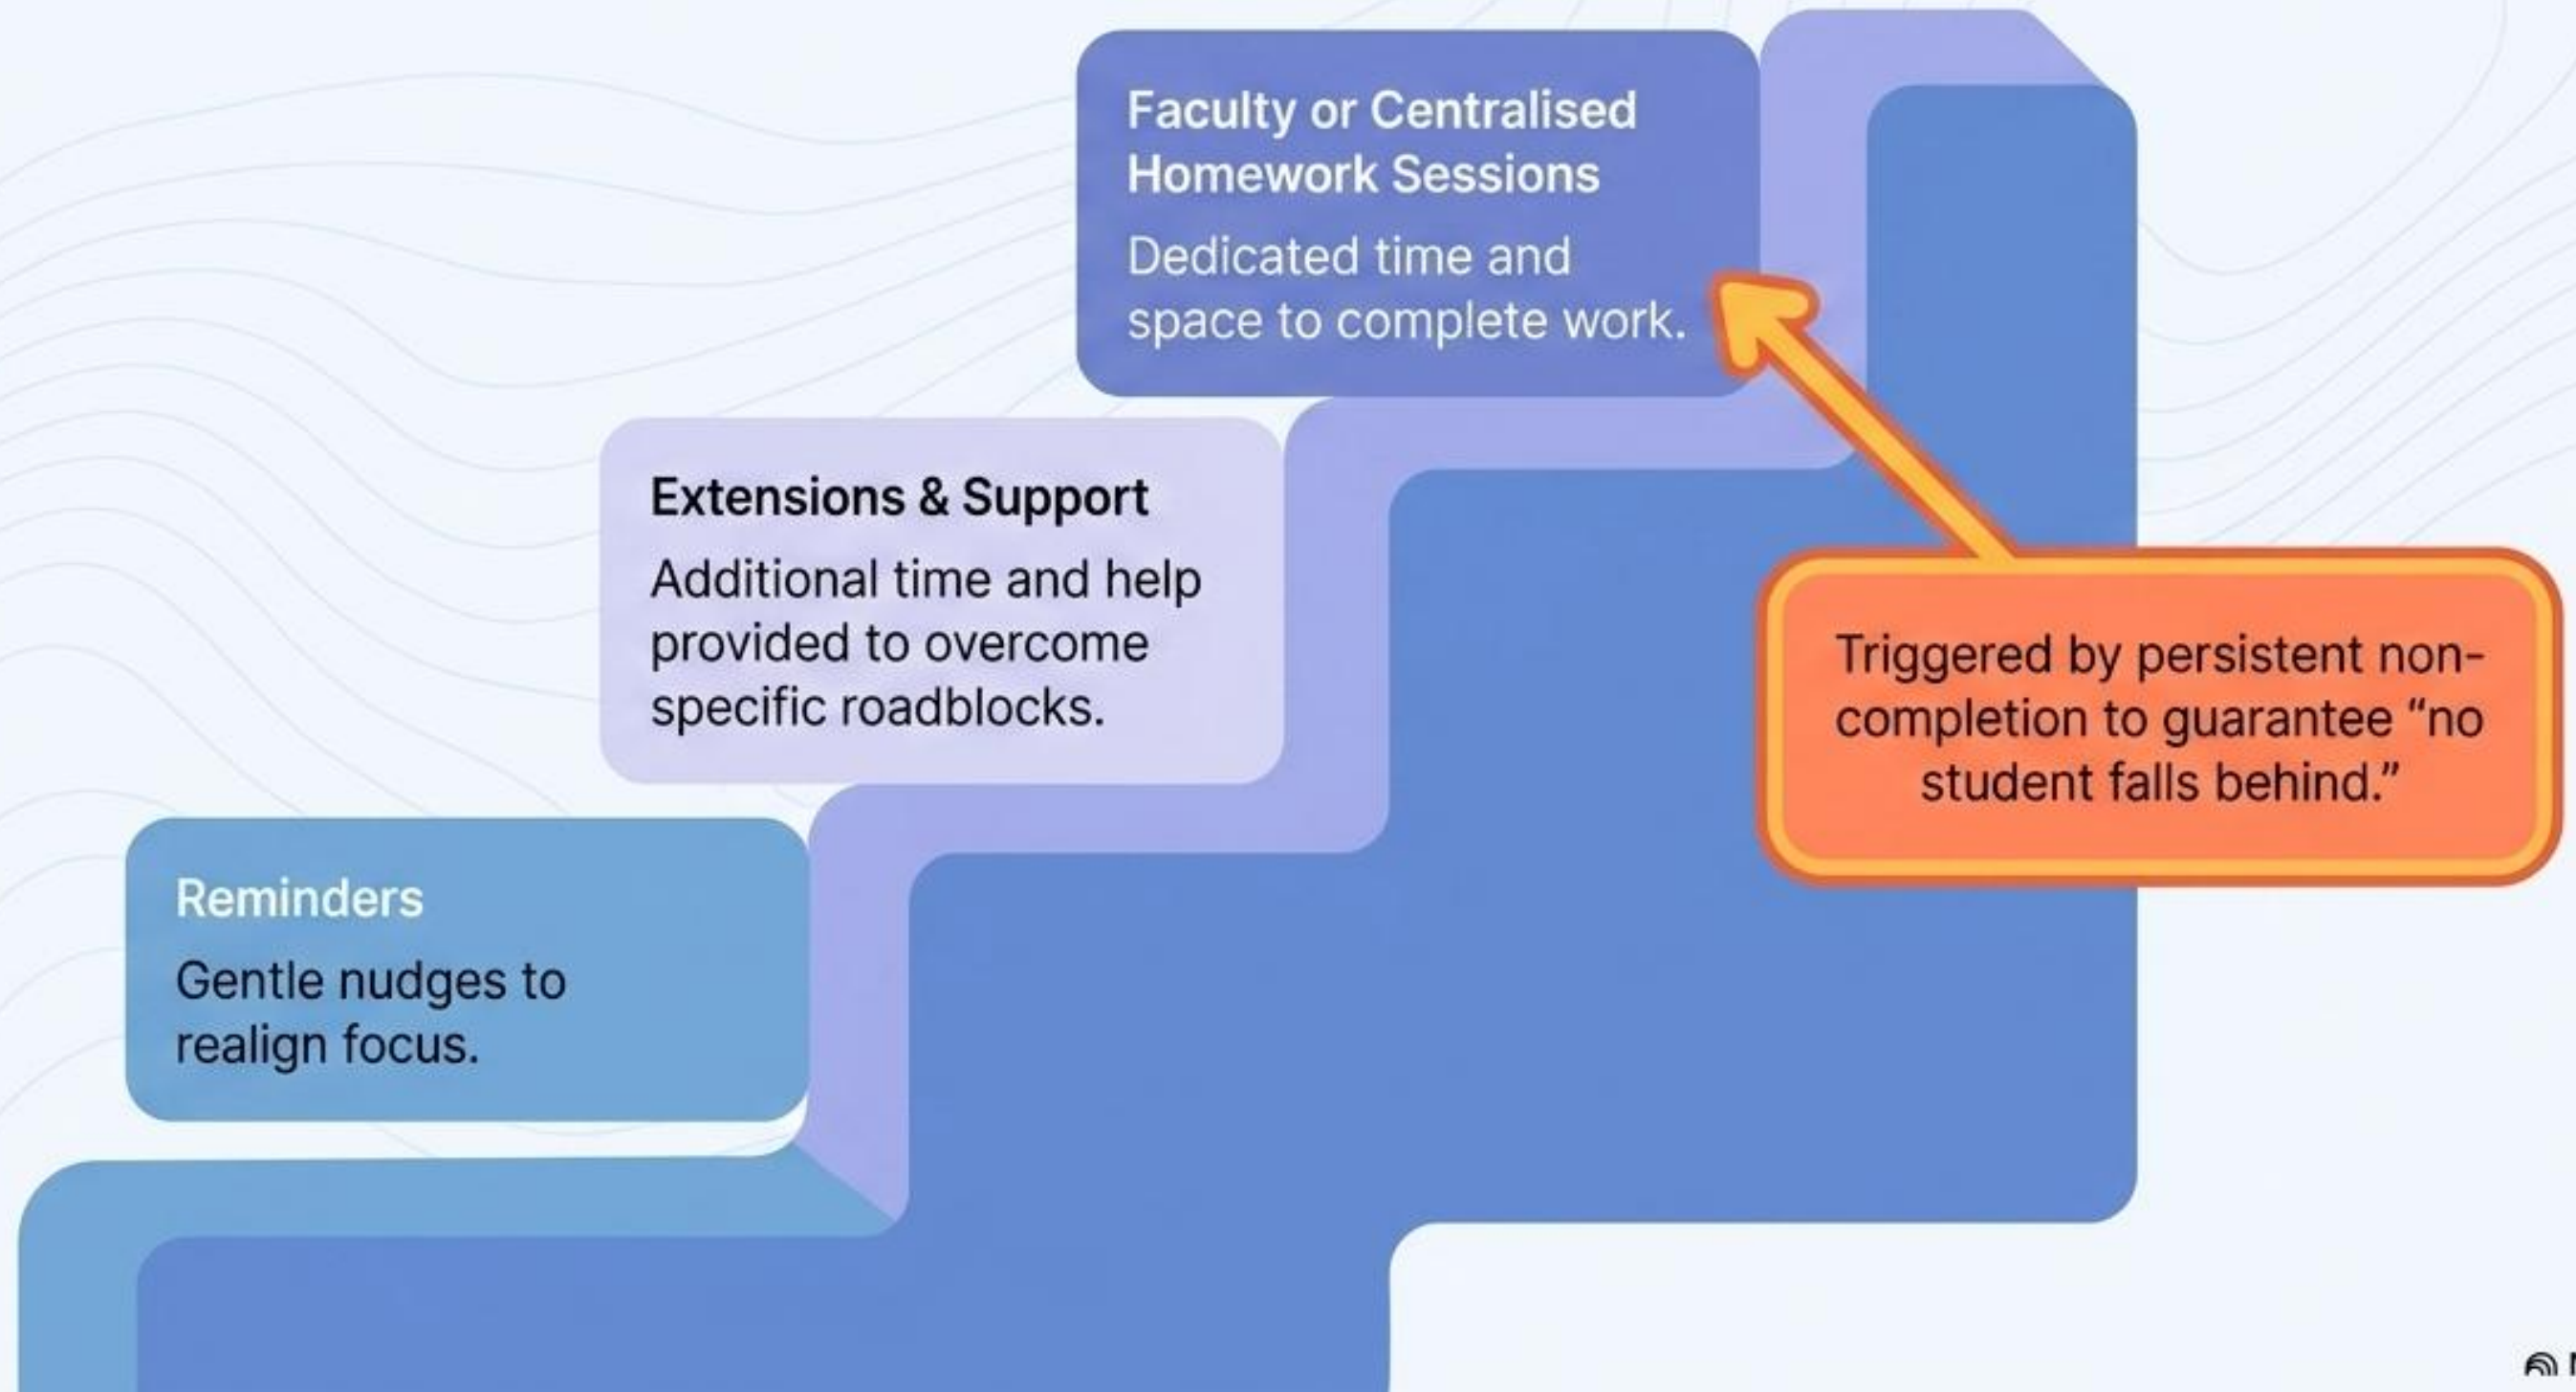

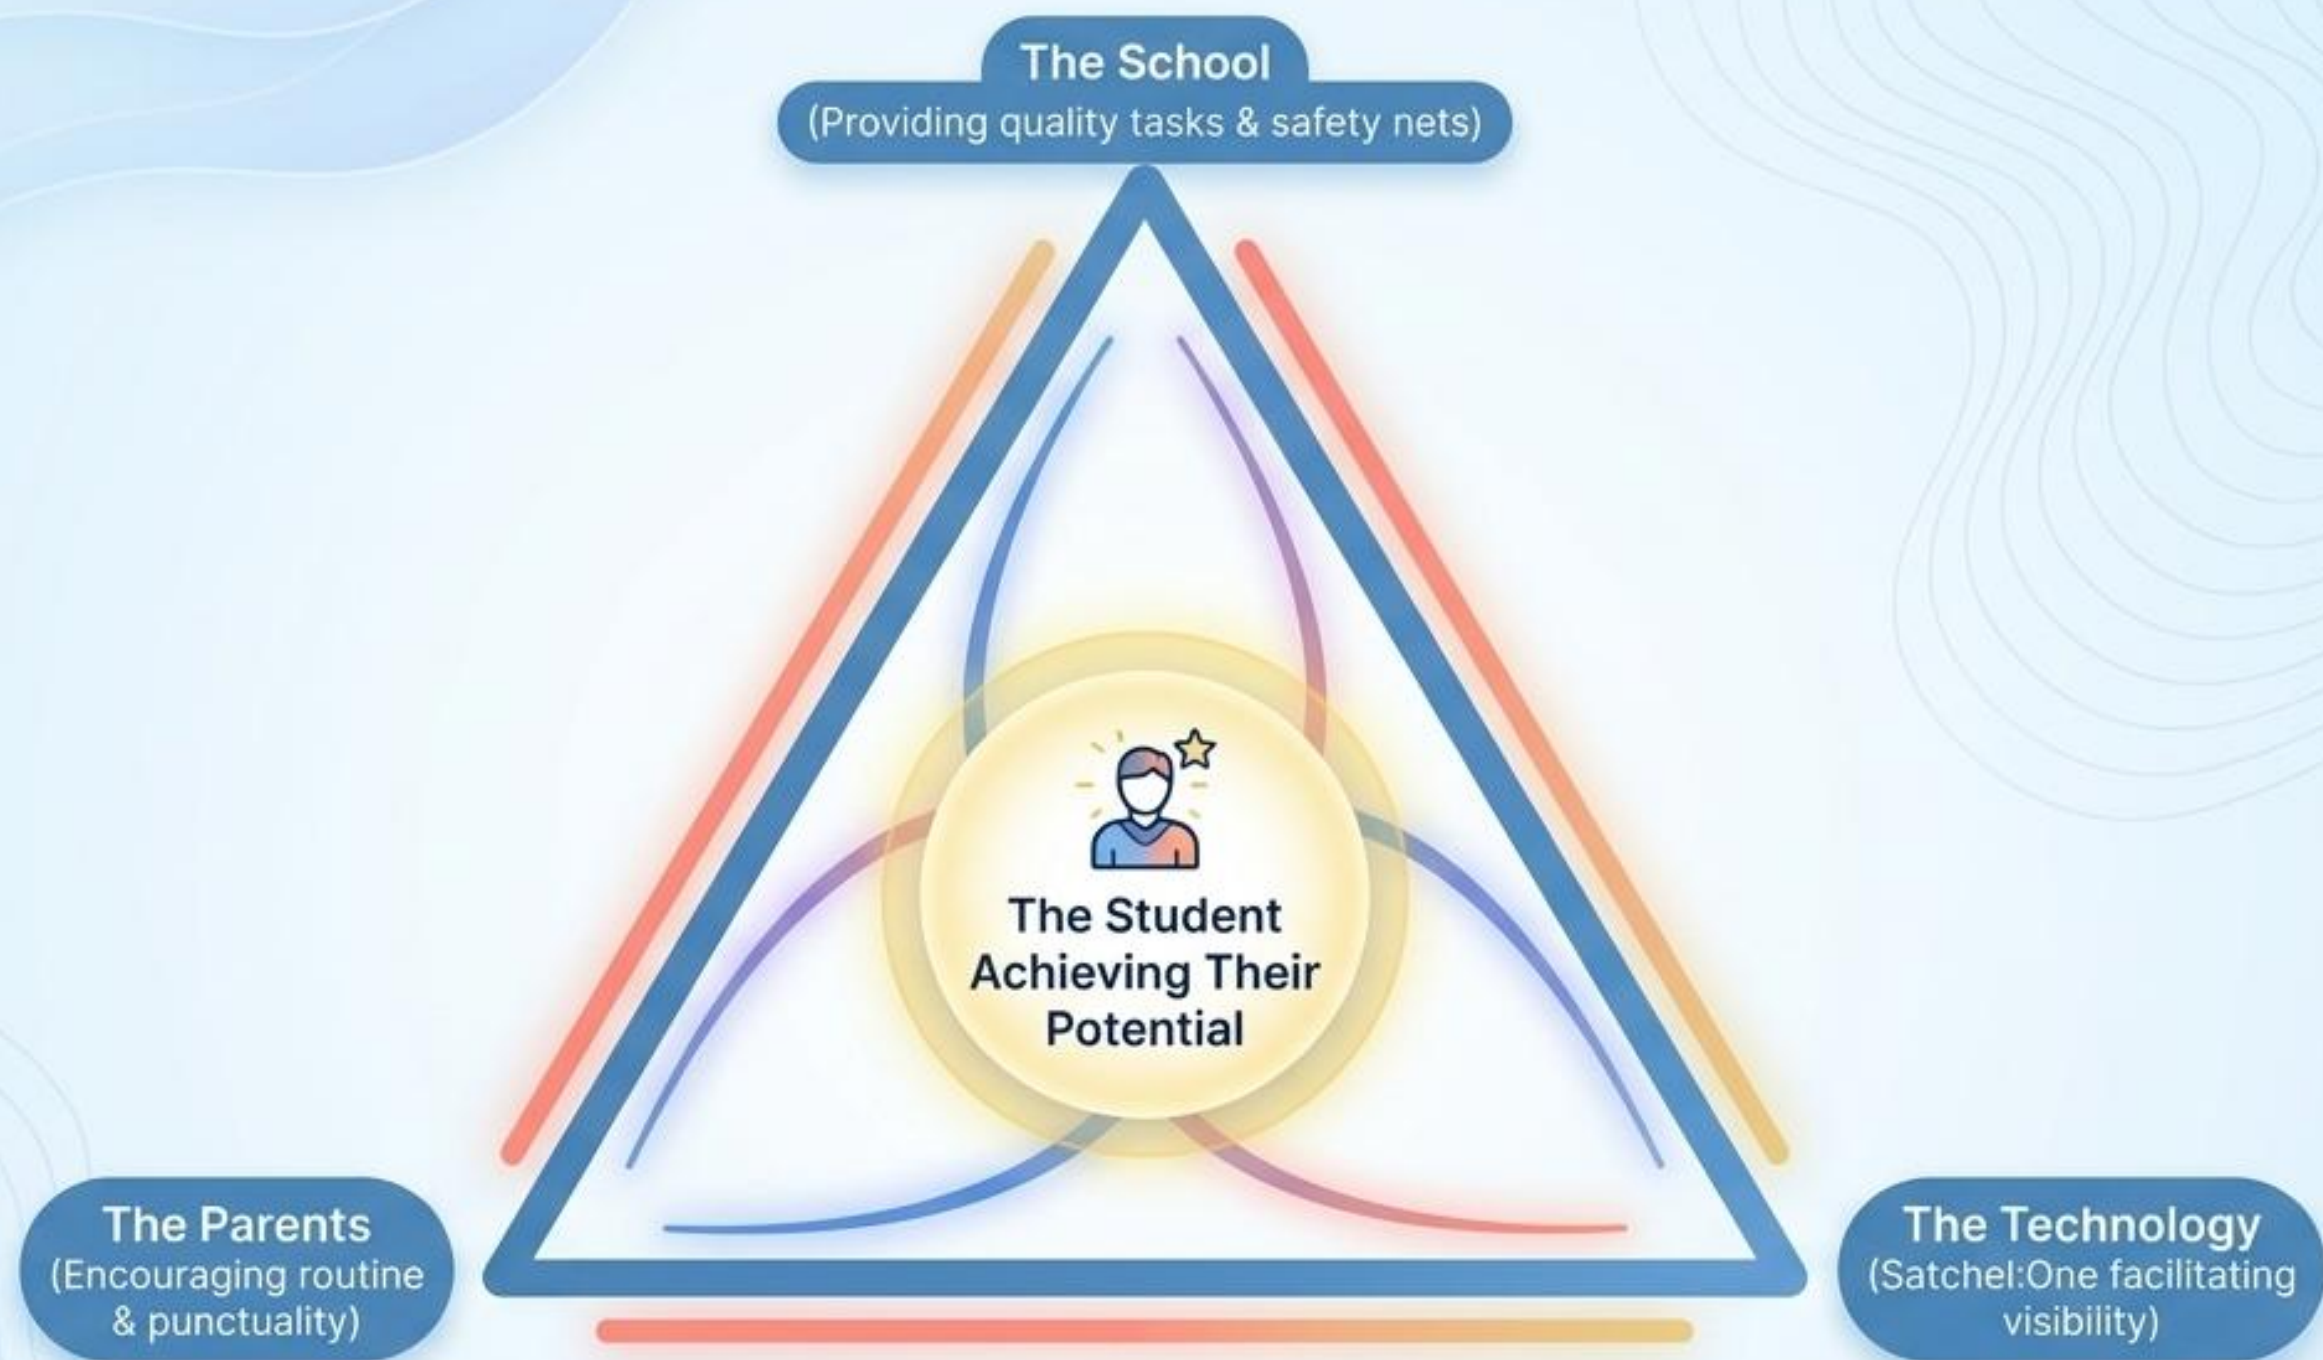

Our approach balances celebrating success with robust safety nets.  
No student is allowed to simply fall behind.

# The Rewards for Consistency

# The Support Escalation Ladder

**Working together, we can ensure that every student achieves their potential.**
